Sections 169 (*a*) *and* (*b*).

Substitute the following for Sections 169 (*a*) *and* (*b*):

(*a*) As a rule, a pensioner must take payment in person, after identification, by comparison with the permanent pay order.

(*b*) A pensioner specially exempted by the Local Government from personal appearance; a female pensioner not accustomed to appear in public; or a male pensioner who is unable to appear in consequence of bodily illness or infirmity, may receive his or her pension upon the production of a Life Certificate, signed by a responsible officer of Government or by some other well-known and trustworthy person.

(*c*) A pensioner of any description who produces a Life Certificate signed by some person exercising the powers of a Magistrate of any class under the Criminal Procedure Code, or by any Registrar or Sub-Registrar under the Registration Act, or by any pensioned officer who, before retirement, exercised the powers of a Magistrate, is also exempted from personal appearance.

(*d*) In all cases referred to in the clauses (*b*) and (*c*) the Disbursing Officer must take precautions to prevent imposition, and must, before the first payment in each year, require proof, independent of that furnished by the Life Certificate, of the continued existence of the pensioner. For this purpose he should (save in cases of exemption from personal appearance granted by the Local Government) require the personal attendance and due identification of all male pensioners who are not incapacitated by bodily illness or infirmity from so attending, and in all cases where such inability may be alleged, he should require proof thereof, in addition to the proof submitted of the pensioner's existence.
